115/115 challenges solved

Rank: 1 | Points: 2305 ⚠

Python
★★★★★

This should be enough to prove I made all the exercise but I submitted all the PDF pages as requested by the assignment
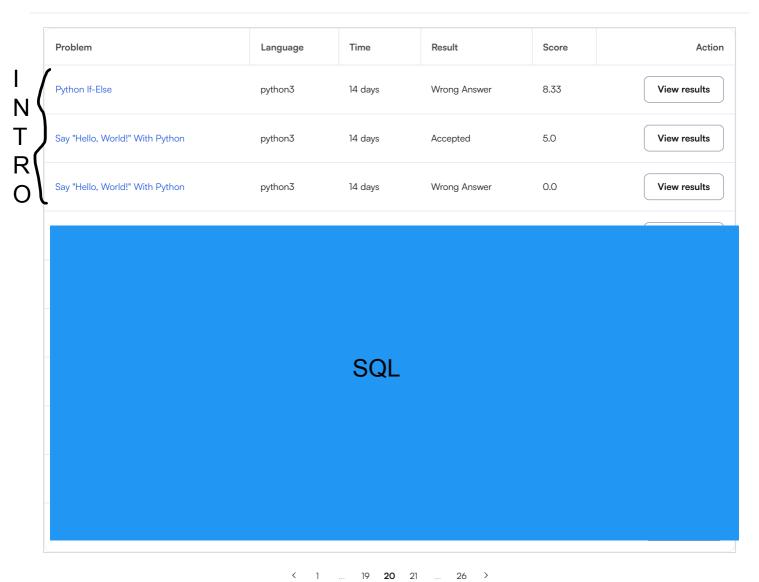

Some explanation:
The "next challenge" button led me to do not requested tasks (since after doing the requested one I was left with just a few missing, I said WHY NOT and did it all)
- The exercise not requested by the task are marked in Red with an X
- The blue square instead are SQL submission that sometimes I did as an "easy" task to free the mind, I discovered I could not filter the submission at the end
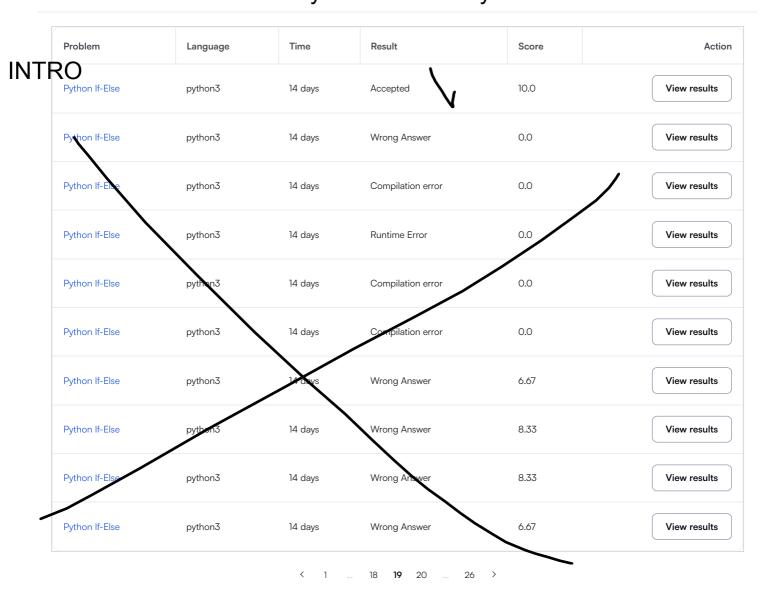

So sorry for the confusion!! :(
